# Need Ideas

**Hey guys, so first off I wanted to say that I am a really big fan off HHTYD, and that being said I've been thinking about writing some fanfics about it. But, I cant think of anything to write about. So I figured I'd ask you guys and see what you guys think I should write about. I dont really have any 'ship' preferences, however I do kinda wanna write a HiccupXHeather fic so ideas for that would be appreciated. With that being said go wild with ideas. As always, stay frosty and I'll talk to you guys later.**
